NAI Policy Notes is a series of short briefs on policy relevant issues concerning Africa today. Aimed at professionals working within aid agencies, ministries of foreign affairs, NGOs and media, these reports intend to inform the public debate and to generate input in the sphere of policymaking. The writers are researchers and scholars engaged in African issues from several disciplinary points of departure. Most have an institutional connection to the Nordic Africa Institute or its research networks. To ensure the actuality and relevance of the topics in these reports, the Nordic Africa Institute welcomes inputs and suggestions from readers in general and policymakers in particular. Please e-mail your comments to: birgitta.hellmark-lindgren@nai.uu.se. The series is available online.
